

Put the Budget on the Ballot in Bedford!

This is a petition to allow the annual Bedford Town operating budget to be placed on an official town ballot, by revising the Bedford Town Charter (as required by state law).

In 2022, the Bedford Town Budget of almost \$40 million dollars was approved by a majority vote of 72 people who attended a Wednesday night town meeting.

It's time for Bedford to put its budget on the ballot, the same way we approve the school budget, and the same way we elect our town officials - at the polls on the second Tuesday of each March.

Your signature starts the process the make this happen. Please help Put the Budget on the Ballot, and sign the petition below.

"Each of the undersigned voters requests the municipal officers to submit to the voters, at the next municipal election, the question of establishment of a charter commission to draft a revision to the municipal charter for the sole purpose of establishing official ballot voting under the current form of government."
